The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wan-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter

No enterprise commends itself as in a greater degree renumerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞ The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald, Tribune, World, Times, Post, Express, Independent*, and in the Philadelphia *North American, Press, Ledger, Inquirer, Age, Bulletin* and *Telegraph*.

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

FOR EVERY STATE A STAR.

AIR—"BONNIE BLUE FLAG."

Come, sons of the old Keystone State,
And join the column strong,
That moves for Law and Liberty
Against the tyrants' wrong
We'll have no broken Union, boys,
No Poland in the South,
No Ireland ruled by iron hand,
No padlock on your mouth.
Hurrah! Hurrah! for Liberty, hurrah!
Hurrah for our Country's flag,
And on it every star!

Disunionists may rant and howl,
Zach Chandler rage and roar,
And Sumner in the Senate scowl,
And Nye his curses pour.
Our banner is the flag that bears
For every State a star;
And death to the Disunionist
Its symmetry would mar.
Hurrah! Hurrah! for Liberty, &c.

Our Union's that of all the States—
From Maine to Oregon,
From Lake to Gulf, the sister-hood
Of Thirty-sev'n in One.
Oh! who would strike a single State
From out the glorious band?
Accursed be his traitor heart
And palsied be his hand!
Hurrah! Hurrah! for Liberty, &c.

Oh! who would blot a single star
From out that good old flag,
Or call it Greely-like, "a lie,
And "hate's polluted rag?"
The sacrificial blood that flowed
The Union to restore,
Appeals for that true flag that bears
For every State a star.
Hurrah! Hurrah! for Liberty, &c.

Speech of Senator W. A. Wallace,

AT BELLEFONTE,

ISSUES OF THE CAMPAIGN.

BELLEFONTE, PA., Aug. 24.

Senator Wallace, of Clearfield, spoke this evening in the Court House here to a large and enthusiastic meeting of the Democracy. He said:

At the threshold of Gubernatorial campaign in a great State like ours, in which the results are to be potential as well without as within our borders, it might seem appropriate to discuss the grave questions in national politics which present themselves on every hand. The short-comings of a national administration that assumed the reins of power with flattering promises of reform and good government; the fatuity of its official head in surrounding himself with advisers without experience and counselors without knowledge; their utter failure to create and sustain a policy in our national affairs, either foreign or internal; the broken pledges for retrenchment and economy; the unsatisfactory condition of financial affairs; the increased rates of interest; the prostrated condition of all kinds of business, and the onerous and neverending weight of taxation, are themes upon each of which the people think and feel deeply, and to these we might with profit devote our attention in the pending canvass. But matters of serious moment claim our attention nearer home, and remembering that our institutions are founded upon the principles of local self-government, and that the protection of our personal rights and those lesser but important forms and privileges which aid in making up our form of government, is vital to its success as a whole, it becomes our duty to closely scan the condition of affairs in our State government, and to learn by calm scrutiny there whether the agents we have employed in its administration have been faithful to their trust, and are worthy of a renewal of our confidence. That a widespread sentiment of dissatisfaction exists, nay more, that the prevailing tone of the people and the press of the Commonwealth, is against the official fealty and personal purity of the mass of those who have made and executed our laws in the past three years, will scarcely be disputed. Such a sentiment could not exist unsupported by facts, and it is our business in this canvass to test its truth.

We broadly charge, that in every element of good government, in every essential feature necessary to the protection of the rights of the people, the administration of John W. Geary has been a failure. He is the executive head, and the policy dictated and the ends obtained are equally chargeable to his account, and he is justly responsible for the misdeeds of his subordinates and of those whose policy was moulded at his dictation.

He is responsible that the expenses of the State government are larger now than during the war, and are increasing; that the Treasury of the State is managed in the interests of a corrupt ring, and the money of the people used to fasten new burdens upon them; that private legislation, to the detriment of the public good, rapidly increases; that monopolies are created and given power to oppress the citizen in his business; that the judiciary are attacked, and the sanctity of the organic law overridden for a price; that legislative borers and corrupt officials swarm around the seats of power, and fatten on the body politic and the vast revenues that flow into the coffers of the Commonwealth are diverted from their legitimate and constitutional purpose in payment of the State debt, and are applied to the maintenance of a horde of unnecessary hirelings about the legislative and executive departments of the State government.

This is no fancy picture, but is the portrayal of sober but startling realities, and its truth will be demonstrated by an investigation of the subject.

The expenses of the State government during the last three years of the war, under the administration of Governor Curtin, were as follows:

For ending December 1st, 1863, they were $446,456; for year ending December 1st, 1864, they were $600,021; for year ending December 1st, 1865, they were $616,023.

For the three years since the war, under the administration of Governor Geary, they were: For the year ending December 1st,

1866	$668,909
1867	802,878
1868	845,539

The expenses of 1868, is thus seen, are $245,518 greater than were those of 1864, one of the most expensive years of the war.

All admit that during the war these expenses would necessarily increase, but can there be any reason why they should be nearly fifty per cent. greater now, when gold is 133, than they were in 1864, when it was over 200.

The maladministration of the government is the only reason that can in truth be rendered for this frightful increase of expenditure.

The treasury ring is no myth, but is a hideous reality, and only those who have watched its operations and seen its slimy fold again and again coiled around men whose constituents elected them as honest men; only those who have seen its manipulations of men and its almost universal success in its movements, can justly appreciate the vicious influence it exerts. The treasury of the State it regards as its inheritance, and the money of the people as its legacy. To fill the Treasury and not pay the debt, to handle the deposits and realize cent. per cent, from their skillful manipulation, to redeem the loan bearing five per cent. and replace it with one bearing six, by an adroit arrangement with those in power, have been some of its exploits in the last three years. Previous to 1867 the mass of our debt paid an interest of but five per cent., but under the shallow pretext that it was over-due, the ring enacted the law of Feb. 2d, 1867, by which the Treasurer was authorized to redeem the over-due five per cent. loans and replace them with a loan bearing six per cent. In this arrangement the hand of Governor Geary is plainly seen, for without his consent it could not have been the law.

A loan of more than twenty-three millions of dollars bearing interests at the rate of five per cent. was transmuted by this operation, into a six per cent. loan, and the amount of interest payable by the people, in 1866, was $1,892,105, was increaced in 1867 to $2,257,033, or over $350,000 of an increase in the first year. In 1868 we paid $1,979,690 in interests, or $87,000 more than we paid in 1866. The expenses of placing the new loan paid by the State was nearly $90,000, making an aggregate of over half a million of dollars paid since 1867 to enrich the treasury ring. All of this twenty-three millions of six per cent. loan is yet to mature and upon it this year and each succeeding year until payment, $230,000 more of your money than before was necessary, must be paid in interest. These figures are from the official documents, and the same documents show that the State Treasurer had in his hands, in 1867, an average monthly balance of over three and a half millions of dollars, and in 1866, his average monthly balance was over two million three hundred thousand dollars. With these princely revenues at their command what could not the treasury ring effect? Large fortunes flowed gently into the laps of these shrewd financiers and they controlled every appointment to power and place. No law could be passed against their will and their assistance in legislation was a guaranty of success. No bill was ever passed in which these men were interested that was refused the signature of the Governor, and he never initiated a financial movement against their will.

That corrupting and debasing influences surround and pervade the atmosphere of the State capital, scarce needs proof. The closing hours of the last session of the legislature were full proofs, of the wealth the power and the corrupt purposes of the treasury ring, and so vile and base have we become, and so plainly was the power of money in legislation proved, that the moral sense of the people who hear me would be shocked at the recital and the outrageous character of the transaction almost stamps it is a falsehood. Such things could not be, had we a firm and pure executive. The knowledge that the calm and intelligent scrutiny of a capable and honest Governor was to be fastened upon their deeds, and that the veto power would be exercised in holding them and their purchased privileges up to the scorn and execration of an outraged people, would go far to deter these men from corrupting the weak and puschasing the corrupt. The evil is a terrible reality. It confronts us in high places and it saps the vitals of the State. The remedy rests with the people alone.

The vast increase of the private legislation and the many corporate monopolies granted, to the injury of the people, can best be shown by a comparison of different periods.

Under the administration of Governor Packer, during 1858, 1859 and 1860, there were passed a total of 2,019 bills which became laws, or an annual average of 673. During 1864, 1865 and 1866, under Governor Curtin there were passed 3,131 bills which became laws, or an annual average of 1,044. Whilst during the sessions of 1867, 1868 and 1869, Governor Geary's three years, 3,689 bills became laws, showing an annual average of 1,223, or nearly double the average during Gov. Packer's term.—The necessity for special legislation during the war was far greater than since, and the amendment to the constitution depriving the legislature of power to enact laws in cases in which the courts have jurisdiction in the hands of a firm executive officer, would have vastly decreased the amount of vicious enactment. Scores of laws are found upon the statute books of 1867, 1868 and 1869, in which the courts were vested with the control of the subject, yet favoritism or some other reason, secured the approval of the Executive. This is the field too, in which special privileges are secured and in which the peculiaar vocation of legislative borers is made profitable, and when it is seen that in the term of Governor Geary over eight hundred laws have been enacted granting charters to private corporations or enlarging the power of those already granted, their profits may be estimated and the vice of the system understood. Two thirds of this legislation is unnecessary and detrimental to the people, and their safety demanded a clearly defined policy on this subject and a rigid adherence thereto by the Executive. General laws are broken through by special enactment with his consent until the rule has become the exception. For instance, to give him patronage, the general law for the appointment of notaries, defining their number, has, in the session of 1869, been again and again supplemented, until he was vested in that single session with the power to appoint over one hundred in addition to those already in commission. Such a practice, multiplying officials, overloads the statute books and destroys a most salutary rule of government, that of governing by general laws as far as possible. The remedy for this mischief was in the hands of the Executive. He has failed to apply it and has aided and abetted the wrong.

The deliberate overthrow of a judicial district, the attempt to nullify the will of the people of that district of the choice of their judge, and the palpable violation of the Constitution, incurred in so doing, are all chargeable directly to J. W. Geary, for the bill was signed on the very morning after the night of its passage, under circumstances which conclusively prove his knowledge of its purpose and character. If he knew these, is it unjust to charge that he knew how it was passed and what base means secured the necesary majority for its speedy enactment? If the judiary are to be attackted and the express will of the people defied by the use of money in a corrupt combination, of what value are our institutions, and whose life or property is secure? John W. Geary possessed the knowledge of the wrong and the power to prevent it, and failed to use them, and he is justly responsible for the infamy.

Under the provisions of the law enacted in days when national debts were not considered national blessings, and still unrepealed, certain revenues belonging to the state were to be applied to the payment of the State debt through the opperations of a Sinking Fund. Since 1860, the last year of Gov. Packer's administration, $45,346,000 have gone into the treasury. By far the larger portion of this proceeds from the revenues specifically applied by law to the payment of the debt, and yet the debt now is only about four millions less than it was in 1860, and this calculation excludes the loans for military purposes, and to redeem the overdue loan. Where have those millions gone, and why is the state debt still so large? The mismanagement of the finances of the State, never so great as within the last three years, the payment of largely increased salaries, the employment of pasters and folders and other useless officials, the increase in the amount of interest, and the necessities of the treasury ring, have combined to increase our expenses to so great an extent as to divert these large revenues from their proper destinations and therefore the debt still exists,

Strenuous efforts were made at the close of the last session of the legislature to have the surplus in the Treasury applied toward the payment of the debt maturing, and a section was placed in the appropriation bill by the united vote of all the Democrats and a part of the Republicans, ordering the anticipation of the payment of about $800,000 thereof out of the surplus then in the treasury. This would have saved the State $50,000. The bill was then sent to the committee of conference, and they struck this section out at the command of the treasury ring. When the bill came up in the Senate, on final passage, in this form, it was voted down by a vote of 22 to 10, mainly because of the omission of this amendment and the payment of the pasters and folders in the House. Seven Republicans voted with the Democrats and defeated the bill and affirmed the wisdom of the amendment. Yet, within three days four of those Republicans changed front and voted with their brethren to reconsider the bill and they passed it by a vote of 17 to 16, two Republicans voting with the Democrats against the bill, and one Democrat voting with the Republicans for the bill. By this vote the State lost at least $50,000, and the ring gained the use of over $800,000 for more than a year. Why, in this exigency and under the facts disclosed on the passage of the bill, did not the Executive do his duty and send it back without his signature? He was too weak or he was the tool of the Treasury ring; in either case, he is unfit for the place he fills.

The administration of John W. Geary is a failure, the name of legislature under his rule has become a hissing and a reproach, the fair fame of our noble Commonwealth is tarnished, her revenues are wasted, and her debt unpaid; her magnificent resources lie undeveloped or private enterprise must do the work; the power to guide the State in her noble career of progress, and to give to her that place among her sisters for which nature has fitted her, must be sought elsewhere than in the feeble capacity of him who now is her Chief Executive; and we point with confidence to the man of our choice, to him who has grappled with the rugged realities of our mountains and our valleys, and by his indomitable energy has made them the sources and the avenues of untold riches, to him who with strong mind and iron will has concentrated all his powers in her development, to him who has by these acts proved his capacity to successfully manage and control his own business, to him who has by his business intellect, his upright deportment, his spotless character and his deeds of charity, won the highest grade among his fellow men—to Asa Packer, the successful business man, as the man whom Pennsylvania now needs to banish corruption, to pay her debt, restore her credit and develop her resources. (Immense Applause.)

With unseemly haste Governor Geary transmitted to the legislature the resolutions of Congress proposing the Fifteenth Amendment, and in doing so he declares, "I cordially approve this action of the National Congress and unhesitatingly recommend the prompt ratification of the same by the Legislature."

He thus initiates the gross wrong that has been perpetrated upon the people of the State. Sworn to support a constitution which emphatically declares that the right of suffrage shall vest in one class of citizens to the exclusion of all others, he recommends the destruction of that rule and the substitution of another without the authority of the people and in violation of their right to pass upon it at the polls.

In obedience to his command the legislature with equally unseemly haste passed upon the question of the ratification of the Amendment and attempted to fasten the people in favor of its adoption. I shall not pretend to discuss the abstract question involved in the Amendment, but shall endeavor to show how gross a wrong has been perpetrated upon their constituents by the Legislature and the Executive.

The express will of the people, moulded in the organic law of the Convention of 1838, and adopted by the people, was against the ratification, and their right to be heard before their verdict was reserved, was as clear as was their a right to pass upon the question origsnally. It has not entered into the canvass in the election of a single member or senator, and nearly all of those who voted for its adoption in 1869, voted against an amendment of the same character in 1868, known as the Hickman resolution. So determined were they in their refusal to permit the voice of the people to be heard, that in the Senate, on the 11th of March, the Radicals, by a stict party vote, refused to postpone the question for two weeks in order that an opportunity might be had for the people to be heard by petition and remonstrance on the subject. Never before was the right of petition denied in a Pennsylvania Senate. In the same body resolutions providing for the preparation of a bill to submit the question of ratification of the amendment to the people at the polls in October, and to postpone action until the result was ascertained, was also voted down by the Radicals, every man of them voting against submitting the question to the people. In the House the same proposition was submitted and there, too, the Radical refused by a strict party vote, to submit the question to a vote of the people. The resolution ratifying the amendment was then adopted, in both branches by the votes of Radical members, and senators, and we appeal from them to you. The question for you to determine is, *was it your right to pass upon so vital a change as this, or will you be bound without your consent or opportunity to express your dissent?* The sentiment of the people of the State is unmistakably against the ratification of the amendment. Yet Radical orators argue that the question is settled and cannot be re-opened, and that therefore, you should not punish them for their violation of duty. The principal of local government is violated by the servants of the people, who declare themselves their masters. The inherent powers of the people to determine for themselves their rule of suffrage and to adopt or reject their organic laws, is denied and trampled upon; and they are deliberately told they are without remedy and that their faithless agents should be again employed. Can impudence further go? The right of appeal exists, and adheres in equity and justice. The forms of our constitution, and sovereignty of the people, as well as the powerful voice of our great State, when deliberately announced through the ballot, will demonstrate to the petty tyrants, who would thus deprive us of our dearest rights, that fraud and chicanery upon four millions of people will not win, and that the voice of Pennsylvania, the Keystone of the Federal arch is not for but against the ratification of the Fifteenth Amendment.—[Great applause.]

You will never convince a man of ordinary sense by overbearing his understanding. If you dispute with him in such a manner as to show a due deference for his judgment, your compliance may win him, though your saucy argument could not.

A friend at one of the summer resorts writes that he occupies a 'cottage' made of a French dry goods case with a skylight at the top, and a front door on the side. Unless it rains he sleeps with his feet outside.

A sailor once had a high dispute with his wife, who wished him to the devil.

"Plague on me, Peggy," said he, "if I don't think I should fare purty well with the old fellow, as I married into the family."

When you have no observers, be afraid of yourself. Observe yourself as your greatest enemy; so shall you become your greatest friend.

FOR THE CAMPAIGN!

RALLY IN YOUR MIGHT!

Read, Think and Act!

Our appeal is to the intelligent, the candid and the independent. We ask only that people shall *understand* the issues before them, and that, understanding them, they reflect upon their duty in the premises and then discharge what they believe to be that duty when they come to cast their ballots. In order that the questions to be voted upon at the coming election, may be fairly and fully presented to the public, the BEDFORD GAZETTE will be furnished for the campaign, at the following low rates:

One copy	$0.50
Three copies	1.20
Five copies	1.75
Ten copies	3.00
Twenty copies	5.00

In all cases the cash must accompany the order. We respectfully ask the active men of our party to get up clubs for the campaign at every post-office in the county. In no other way can the good cause be more effectively supported than by the circulation of Democratic newspapers. It ought to be an easy matter to raise a club of twenty at any post office. Address MEYERS & MENGEL, Bedford, Pa.

GEARY'S PLATFORM.

Resolved, That we wholly approve the principles and policy of the administration of General Grant, and we heartily endorse every sentiment contained in his inaugural address, *and especially do hereby ratify and approve the late amendment to the Constitution of the United States proposed by Congress, known as the Fifteenth Amendment.—Radical Platform adopted at Philadelphia, June 24, 1869.—See Bedford Inquirer of July 2.*

THOSE PETITIONS.

Last winter thousands and tens of thousands of the people Pennsylvania petitioned the Legislature against the ratification of the Fifteenth Amendment. These petitions were signed by men of both political parties. Among the prominent "Republicans" of this county who remonstrated over their own names against the Fifteenth Amendment, we note Abraham H. Hull, Esq., and John H. Ake, Esq., of Union tp. There were others of the same party who likewise protested and whose names are on file in the archives of the legislature. The wishes of these gentlemen, were entitled to respect, at least from the representatives of their own party. But they were treated with contempt and sneered and hooted at and the Fifteenth Amendment was flung in their faces as the answer of Geary, Stutzman and Longenecker to their remonstrance against its passage. It is their turn now. These "Republicans" whose petitions were despised and whose councils were contemptuously rejected, now have an opportunity to vindicate their insulted honor. Geary, Stutzman and Longenecker ask them for their votes and influence for re-election. Perhaps the petition of these betrayers of the people will be regarded as little as were those for the rejection of the Fifteenth Amendment.

VOTE AGAINST THE PLEDGE-BREAKERS! Longenecker, Stutzman and Weller (whose place is now filled by Long) were elected on the express understanding on the part of those who supported them, that Negro Suffrage was not to be established in Pennsylvania, without the consent of the people. These three men violated their pledges to the voters of the district, and supported the Fifteenth Amendment, which establishes Negro Suffrage in Pennsylvania in spite of the people.

$50 REWARD will be paid for a lock of hair from the head of the radical politician who did not deny during last year's campaign that it was the intention of his party to establish negro suffrage in Pennsylvania without the consent of the people.

BRASS HORNS, brass demagogues, sounding brass and tinkling cymbals, are instruments brought into use to carry brass-mounted radicalism through the present campaign.

WANTED—Three Commissioners to Revise the Civil Code, who will do something more than draw Nine Thousand Dollars per annum from the State Treasury.

LONGENECKER AND THE HERDIC ACT.

Our readers are familiar with the fact that last winter a bill was rushed through the legislature, *in a single night*, to abolish a judicial district, (the 29th, consisting of the great and populous county of Lycoming) that Gov. Geary sat up in the Executive Chamber until midnight waiting for the bill, and signed it early the next morning.

Jacob H. Longenecker, Esq., was a member of the Judiciary Committee of the House of Representatives, to which this infamous bill was referred. When it was discovered by the people of Lycomiug county that their Judicial district was blotted out of existance and that their President Judge was legislated out of office, they petitioned the legislature, without distinction of party, to repeal this outrageous enactment and restore to them their district and their Judge. S. C. Wingard, Esq., of Williamsport, a leading Radical lawyer, who represented his district in the legislature a few year since, headed a party of gentlemen who visited Harrisburg for the purpose of obtaining the repeal. Peter Herdic, a notorious corruptionist was the only man from Lycoming county who asked that the hastily and dishonestly enacted bill should be permitted to remain on the statute-book. He had obtained its passage originally, by fraud and corruption, and of course resisted its repeal with all his might. The Judiciary Committee refused to report the bill to repeal. Herdic had bought one Democrat (M'Miller of Montgomery) and though one Radical, (Herr, of Dauphin) voted in favor of reporting the bill, it was killed in the Committee. *J. H. Longenecker voted with M'Miller, for Peter Herdic's interests, and contrary to the wish and will of the people of the 29th Judicial District.* The bill was not repealed, and for months Lycoming county was without a court, without a Judge, and deprived of the administration of justice within her borders.

There remained but one remedy.—The corrupt and malignant legislation obtained by Herdic, must be taken before the Supreme Court, or it would stand as the law of the land. Accordingly it was brought before that tribunal. The case was argued by learned and distinguished counsel on both sides, and the Court *unanimously* decided the act to be unconstitutional and void. Mr. Longenecker is a lawyer, as such he was made a member of the Judiciary Committee of the House, and in that capacity he assisted in tearing the ermine from a spotless Judge and in trampling out an important Judicial District, at the instance of a corrupt and notorious member of the lobby. This vote of Mr. Longenecker required the interposition of the Supreme Court, to save the people of Lycoming county from the rapacity of a legislative broker whose trade is in *the souls of men*. The decision of that Court condemns Mr. Longenecker as a legislator, and the tax-payers of the Commonwealth are compelled to pay the fee for testing the enactment which was permitted to disgrace the statute-book through the short-coming of this misrepresentative. Let us have no more Longeneckers and we shall have no more Herdic acts.

REBUKE THE PLEDGE-BREAKERS! Shall Stutzman and Longenecker, who deceived their own party friends in voting for the Fifteenth Amendment and thus giving the voice of the district in favor of forcing Negro Suffrage on the unwilling people of Pennsylvania, be sustained by the constituents they have betrayed? No! never! Let them be rebuked for their faithlessness!

OVER SIX THOUSAND DOLLARS OF STATE TAX has been demanded from Bedford county, by the Radical officials at Harrisburg, for the years 1868-9, notwithstanding the repeal of that Tax! The same is the case in greater or less proportion with all the counties of the State. What does this mean? What right have those officials to demand this Tax? Is it not highly necessary that such men as JOSEPH B. NOBLE and THOMAS SIPE be sent to the legislature to investigate this extraordinary business?

WANTED—A statement from the State Treasury giving the names of the parties who have the use of the Million of State funds which are to be paid out in redemption of loans in October and those of the parties who now hold and are to retain the Million and a half which is *not* to be paid out in redemption of any loan.

GOVERNOR HAIGHT, of California, telegraphs that the newly elected legislature of that State is *three fourths Democratic*. How does the *Inquirer* feel over this matter any how?

P. T. BARNUM will pay a liberal sum for the lamp which was seen burning in the Executive Chamber at midnight, at the time of the passage of the Herdic Act.

RADICAL HUMBUG.

In order to screen themselves from the indignation of the people, the Radicals are now busily engaged in "cooking up" statements to show a reduction of the public debt. The *Inquirer*, of course, follows the lead of the tricksters who manage and control its party. A few plain figures will show how false are the representations of the radical press on this subject.

On July 1, 1868, the debt of the United States, less cash in the Treasury and railroad bonds was $2,462,674,160.67.

On Sept. 1, 1869, it was (less cash in the Treasury and railroad bonds)	2,475,962,501.50.
Increase	$ 13,288,340.83.

These figures are taken from the statement of the Secretary of the Treasury. Here is shown an *increase of the debt*, in fourteen months of upwards of *thirteen millions*, or at the rate of nearly a million per month. Now, let the *Inquirer* crack this nut.

THE FIFTEENTH AMENDMENT could not have passed the State Legislature but for the recommendation of JOHN W. GEARY. He is on the record as having sent a message to the Legislature in favor of *forcing* Negro Suffrage on the people of Pennsylvania, through the instrumentality of that Amendment.

WE hear men growling and grumbling about the enormous taxes they have to pay and yet as soon as election comes round they walk straight to the polls and vote the radical ticket. It is wonderful how men can be so stupid, so blind to their own interest. Every man of common sense knows or ought to know that our present financial condition is owing to the effects of radical policy, that this terrible burden of taxation which is paralyzing capital and crushing labor has been fixed upon us by radicalism. How then can any poor man who cares for his own or his family's interest vote the radical ticket? He knows, or ought to know that the leaders of the radical party, the bonded aristocracy, heartily despise him and the class to which he belongs. These nabobs regard the poor loboring men of the land as fit only to be slaves. While they are striving to confer the right of suffrage upon the negro and the Chinaman, they would delight to strip from the poor white men every political, religious or social right which he enjoys. The poor man who wishes to make a slave of himself and his children and their children after them, should go on voting the radical ticket, for the poor laboring classes for freedom, prosperity and happiness, lies in the success of the Democratic party. With its return to power in State and national, would come a reform of the political abuses which have grown to gigantic proportions under radical rule. Public expenditures would be curtailed, and a proportionate reduction of taxation take place. The people of the different States would be left free to manage their affairs in their own way, without interference by the general government. In short, the country would be set free from the rule of fanaticism and bigotry, and plain common sense would once more bear sway.

DOWN WITH THE PLEDGE-BREAKERS! The Radical leaders last year solemnly promised in their Chicago Platform that the Suffrage question should be left with the people in the loyal States. They have deliberately broken that pledge. Down with them!

REGISTER! REGISTER! Examine the Registry List hung up at your Election House and see that your own name and the names of your neighbors are on it. If they are not, go to the Assessor and see that he puts your name on the *Registry Book*. Take a witness with you, if the Assessor is a Radical.

DEFEAT THE PLEDGE-BREAKERS! Longenecker and Stutzman betrayed their constituents in voting for the Fifteenth Amendment! Their re-election would be an endorsement of their treachery to the people. Let them be defeated and the honor of the people of the district vindicated.

THE REGISTRY LAW.

What Must be Done in Order to Vote.

READ, EXPLAIN AND CIRCULATE!

See that Your Names are on the List.

To the Democratic Voters of Western Pennsylvania.

Your attention is directed to the following explanation of the Registry Law. Read it carefully, in order to ascertain what is your duty in the premises, and then see that your names are placed upon the assessor's list.

NATURALIZED CITIZENS

will see that the republican legislature has imposed *additional duties* upon them. Let them comply fully with the requirements of the law, in order that they may vote for the party which has always stood by them.

EXAMINE THE ASSESSOR'S LIST,

one of which is posted on the house where the election is to be held, and the other is in the assessor's hands. You have a right to examine them free of charge.

These lists should contain your name, and the names of all other qualified voters in the district; they should state if you are a housekeeper, the number of your house, the street it fronts on; your occupation; if you board, where and with whom you board; if you work for another, your employer's name; and opposite your name should be written the word "voter."

If you have been naturalized, there will also appear the letter "N." If you have merely declared your intention to become a citizen, the letters "D. I."

If you are between twenty-one and twenty-two years old, the word "age." If you have removed into the district since the last election, the letter "R." will appear opposite your name.

Make it your personal duty to see that your name is upon the list.

Do not trust this matter to any one else.

HOW TO GET REGISTERED.

If you find your name is not on the list, *go yourself* to the assessor, and make your claim to be put on. He is bound to add your name. He cannot question your right. You need not discuss the matter with him, your "claim" is enough. Give him also your precise residence, occupation, &c. He will mark "C. V." opposite your name.

ATTEND TO THIS AT ONCE.

If you delay until within ten days of the election, you may lose your vote.

NATURALIZED CITIZENS.

You must show your "papers" to the assessor, in order to get your names registered.

If you intend to take out your "last papers" before the election, you must show your "first papers" to the assessor.

See that your names are on the list.

Those of you who do not need to have "first papers," and intend to be naturalized before the election, should get naturalized first, *immediately*, and go to the assessor with your "papers."

All naturalized citizens must take their "papers" with them to the polls, unless they have been voting for ten years in the same district.

You must take your "papers" with you when you go to vote, even if your name is on the list.

Do not forget this or your enemies will deprive you of your vote.

TAXES.

The law in relation to the payment of taxes is unchanged. If you have paid neither a state nor county tax, assessed *within two years*, do it *without delay*.

Take your last tax receipt with you to the polls.

Do not delay registering or paying your taxes; attend to this matter *now*, for fear something may prevent hereafter.

DEMOREST'S MONTHLY.—The last number of this popular Magazine is always said to be the best. Certainly its enterprising publisher will sustain its brilliant reputation, and spare no efforts or expense to render it the best parlor Magazine in America. How can he afford the expensive premiums he gives in addition to the positive cost of such a periodical, for $3 00 per year, is one of the mysteries of publishing. The magnificent picture by Mrs. Lilly M. Spencer, of the "Pic-nic," now offered as a premium, both to members of clubs and single subscribers, we know to have sold for ten dollars per copy, and considered cheap at that. This is surely going to the extreme of liberality. Published at 838 Broadway, N. Y.

It is said that Calisaya Bark has a peculiar effect upon the liver, and guards the system against diseases by exposure and irregular diet. It is conceded that the great success of the wonderful Plantation Bitters, which, previous to our unhappy difficulties, was found in most southern homes, was owing to the extract of Calisaya Bark which it contained as one of principal ingredients. In confirmation of this we have heard one of our distinguished Physicians remark, that whenever he felt unwell from ordinary dietetic or atmospheric causes, he invariably relieved himself by Plantation Bitters. We speak advisedly when we say that we know it to be the best and most popular medicine in the world.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

The great gale down East on Wednesday of last week drove ashore many vessels in Narragansett and Mount Hope Bays, blew down or otherwise damaged all the church steeples and unroofed a hundred houses in Providence, R. Horrible Disaster in the Coal Region.

FIRE IN A COAL SHAFT.

108 Men Confined in the Mine.

On Monday morning of last week, a fire originated in a coal shaft at Avondale mines, belonging to the Delaware, Lackawana and Western Railroad Company, near Plymouth, in Luzerne county, which burned the "Breaker," engine house and all the surrounding buildings. A portion of the debris fell into the shaft, closing it up and thus *shutting up 108 men and boys in the mine below without ventilation or means of escape*. The fire is supposed to have caught from the ventilation furnace, at the bottom of the shaft, which is 237 feet deep.

The obstructions were removed as soon as the heat would permit and, after taking the customory precaution, two men were sent down to reconnoitre. They reached the gang way in safety, and found several dead mules, but not a human being could be found notwithstanding they made all the noise possible to attract attention. They finally found the gangway closed up, which had evidently been done by the miners to save themselves from the fire, but whether they were alive behind this breast-work or whether they were all suffocated, they could not find out. Subsequently two other men were lowered to the bottom of the shaft, but in the meantime the gas had accumulated to such a degree as to suffocate them—when gotten out they were both dead. Arrangements were at once commenced to force air down the shaft by means of a steam engine, through canvass hose.

The scene at the shaft during Monday was truly heart-rending—women and children, whose husbands, brothers and fathers were in the horrible pit were there nearly crazed with anguish with the terrible thoughgts that those whom they so dearly loved were beyond the reach of succor.

In consequence of the "strike" this mine had not been worked for the past four months until Thursday last.

All day Tuesday every effort was made to reach the men but in vain—the gas being so dense in the mine as to prevent their working either in the shaft or slope.—This is the most terrible calamity that has ever occurred in a coal mine in this country.

SCRANTON, Pa., Sept. 9.—At a meeting of the relief committee, at Avondale, George Coray, of Scranton, was appointed to proceed to New York to solicit subscriptions.

AVONDALE, Sept. 9—2:20 P. M.—Thomas Carson, of Hampton mine, and George Morgan, of Nanticoke, experienced and competent miners, with twenty men, have explored every part of the workings and are satisfied that all the bodies have been recovered. Outside parties say two are still missing. One hundred and eight is the number of the bodies taken out.

No doubt all the bodies are now up, as thorough explorations of the mine reveal no more, and 108 represents the total loss of life.

There are 57 widows, and 109 orphans made by this disaster. Numbers of the men had children living in the old country, and the destitution is great, and requires immediate relief. The strike of 3½ months had reduced all the families to the verge of starvation, and the men not being at work long enough to recieve any pay, there was never a case that appealed more strongly to the charitable. The funerals have been going on all day.

DEMOREST'S YOUNG AMERICA.—This bright little Magazine is as full of good things, and as great a favorite with the children as ever. One of the causes of its popularity is because it enters right into the children's occupations and amusements, and makes itself a part of them. We recommend it to all parents who wish to procure a juvenile periodical which combines much and varied instruction with amusment and great originality. $1.50 per annum with a premium. Address 838 Broadway, N. Y.

SPECIAL NOTICES.

Schenck's Pulmonic Syrup,

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work: then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood

Schenck's Mandrake Pills act upon the liver, removing all obstructions, relax the ducts of the gall-bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall-bladder and starts the secretions of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the Alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians do not cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Canker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has Consumption, of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood: then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only Liver Complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billious complaints, as they are perfectly harmless

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompanying each, make it not absolutely necessary to personally see Dr. Schenck, unless the patients wish their lungs examined, and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 35 Hanover Street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $7.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists.

Until after our fall elections, we may look for monthly reports from the Treasury Department announcing a continued reduction in our public debt. These reports are "manufactured to order" and are false in every particular.

In his speech at the Radical meeting on Tuesday night, John Cessna forgot to apologize to the indignant friends of Capt. Mullin for bringing about the defeat of that gentleman for Senator.—But, then, John wants a re-nomination for Congress, and like Artemus Ward, he is willing to sacrifice every body else to accomplish his ends. All heads must be off to save his own.

Our friend, J. Harry Hutten, has returned to Philadelphia, and requests us to say to his friends, in the county, that he is at his old quarters with A. A. Shumway & Co., 221 Market street and 210 Chestnut street. This is the largest and one of the most reliable SHOE HOUSES in the city, and the firm are fully alive to the wants of the trade. Harry will give all orders his personal attention and his friends can rely upon having them put up in a satisfactory manner. Their stock of *fall goods* is immense and *at prices* that *defy* competition. We would cheerfully recommend the house to our mercantile friends. Send in your orders and call to see the "young man," Harry H., when you visit the city.

RADICAL POW-WOW.—The Radicals of this county held a council of war in the court house on Tuesday evening of court. It was the most complete failure we have ever seen. True, there were a good many people there but they were mostly Democrats who went thither to hear what arguments were to be advanced to induce honest men to vote for that huge compound of ignorance and vanity—that corrupt and imbecile "King of the Ring," Hans Geary. But poor Hans was sadly slighted by the speakers. There were none so poor to do him reverence.

Longenecker opened the fall campaign with a "piece" tolerably well spoken, but with nothing in it. Next was introduced a bashful youth from Huntingdon, surnamed Lytle or Little, who said so *little* and so *little* to the purpose that he was unanimously voted a failure of the first water. The only truth he uttered was, that Packer and Pershing were both honest men. This was not relished by his radical audience. He took good care, however, not to insult the people of Bedford county by asserting that Hans Geary was honest or capable.

After this little talk by the fellow from Huntingdon, came the ubiquitous John, with the same old abuse of Democrats, uttered with the same shrill howl that trooly loil shreekers like he only know how to make. John complained of a blister on his tongue, and said he used to get small blisters when he told lies for the Democrats. The present affliction was of a more serious nature—the blisters being larger—and is, no doubt, attributable to the huge lies he told when he made those solemn pledges in the hall of the steep roofed house. But John must remember that the people of this district will soon have another chance at him, and then he will get a blistering that he will not soon forget. We discovered nothing new in 'our member's' speech. The same tirade of abuse against the men with whom he was but a short time ago politically connected—the same self-praising spirit which characterizes all his speeches, was re-hashed to his audience on Tuesday night. But even the people of this county are getting tired of his talk, for long before he was through, the room was almost cleared, and the speakers who were held in reserve, had to go home without being permitted to give the audience their quota to this political feast.

RAILROAD MEETING.—*Bedford must have a Railroad.*—A large number of the citizens of Bedford, pursuant to notice given, assembled in the Court House, on Thursday evening, the 9th inst., for the purpose of making preliminary arrangements for the holding of a railroad meeting during the term of a special Court, commencing on the 27th inst.; at which time one or several propositions for the constructing of a railroad to this point, it is expected, will be submitted.

The meeting was called to order by the selection of Hon. George W. Gump as Chairman, and J. R. Durborrow, as Secretary.

The object of the meeting was stated at length, by Hon. Alexander King, who stated in the course of his remarks, that he had an interview a week or two since with Col. Jas. Worral, President of the South Pennsylvania Railroad Company; a company chartered by the Legislature of Pennsylvania in the year 1854, to run from Harrisburg through Bedford and other counties, to points in Western Pennsylvania, who proposed to assist us in the construction of our road from Bedford to Bridgeport, provided, the citizens of this county were willing to avail themselves of the charter of the South Pennsylvania Company, and that at the meeting contemplated this proposition would in all probability, be submitted for the approval of those who are subscribers to the stock of the Bedford and Bridgeport Railroad. Should our people conclude to accept this proposition they will be asked to invest stock in the beginning of an independent line of railroad connecting from Harrisburg west by the Pittsburg and Connellsville with Pittsburg, and the Hempfield with Wheeling, thus forming a great through line to the Great West, the stock of which cannot fail to become as valuable as that of any of the great trunk lines.

At the conclusion of his remarks, Mr. King moved that a committee of five be appointed for the purpose of making arrangements for the holding of a meeting during the term of our special Court, and subsequent meetings, if necessary; and that the committee correspond with Col. James Worrall and secure his attendance at the time of holding the meeting stated; which was unanimously adopted.

The Chair appointed Hon. Alexander King, John Lutz, Esq., Hon. Samuel L. Russel, Jacob Reed and Thomas M. Lynch, said committee.

Brief speeches were then made by J. R. Durborrow, John Lutz, and Samuel Lysinger, Esqs.

On motion, the meeting adjourned to meet at the call of the committee. The feeling manifested was of a much better order than we have heretofore witnessed at Bedford railroad meetings. Everybody admits the feasibility of the proposition.

The Republican Silver Band enlivened the occasion with choice music, for which they have the thanks of the meeting. GEORGE W. GUMP,
J. R. DURBORROW, Pres't.
Sec'y.

And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 2, 1819, further provides as follows, viz:

"That the Inspector and Judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 7 o'clock in the morning of the SECOND TUESDAY OF OCTOBER, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as an Inspector in his place. "It shall be the duty of the several assessors respectively to attend at the place of holding every general, special or township election, during the whole time such election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors or ether of them shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white citizen of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote after residing in this State six months. *Provided*, That the white freemen, citizens of the United States, between the age of twenty-one and twenty two years who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

By the Act of Assembly of 1869, known as the "Registry Law," it is provided as follows:

1. "Election Officers are to open the polls between the hours of six and seven, A. M., on the day of election. Before six o'clock in the morning of second Tuesday of October they are to receive from the County Commissioners the Registered List of Voters and all necessary election blanks, and they are to permit no man to vote whose name is not on said list, unless he shall make proof of his right to vote as follows:

2. The person whose name is not on the list, claiming the right to vote must produce a qualified voter of the district to swear in a written or printed affidavit to the residence of the claimant in the district for at least ten days next preceding said election, defining clearly where the residence of the person was.

3. The party claiming the right to vote shall also make an affidavit, stating to the best of his knowledge and belief where and when he was born, that he is a citizen of Pennsylvania and of the United States, that he has resided in the State one year, or, if formerly a citizen therein and removed therefrom, that he has resided therein six months next preceding said election, that he has not moved into the district for the purpose of voting therein, that he has paid a State or county tax within two years, which was assessed at least ten days before the election, and the affidavit shall state when and where the tax was assessed and paid, and the tax receipt must be produced unless the affiant shall state that it has been lost or destroyed, or that he received none.

4. If the applicant be a naturalized citizen, he must, in addition to the foregoing proofs, state in his affidavit, when, where, and by what court he was naturalized, and produce his certificate of naturalization.

5. Every person, claiming to be a naturalized citizen, whether on the registry list, or producing affidavits as aforesaid, shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district where he offers to vote; and on the vote of such person being received, the Election Officers are to write or stamp the word "voted" on his certificate with the month and year, and no other vote can be cast that day in virtue of said certificate except where sons are entitled to vote upon the naturalization of their father.

6 If the person claiming to vote who is not registered shall make an affidavit that he is a native born citizen of the United States, or, if born elsewhere, shall produce evidence of his naturalization, or that he is entitled to citizenship by the reason of his father's naturalization, and further, that he is between 21 and 22 years of age, and has resided in the State one year, and in the election district ten days next preceding the election, he shall be entitled to vote though he shall not have paid taxes."

Election Proclamation.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this commonwealth.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this commonwealth, at all general, township, borough and special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed, or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and to be labelled, outside, "judiciary." one ticket shall embrace the names of all state officers voted for, and be labelled, "state;" one ticket shall embrace the names of all county officers voted for, including office of senator, member, and members of assembly, if voted for, and members of congress, if voted for, and be labelled, "county;" one ticket shall embrace the names of all township officers voted for, and be labelled, "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in seperate ballot-boxes.

SECTION 2. That it shall be the duty of the Sheriffs, in the several counties of this commonwealth, to insert in their election proclamations, hereafter issued the first section of this act.

JAMES R. KELLEY,
Speaker of the House of Representatives.
DAVID FLEMING,
Speaker of the Senate.

APPROVED—the thirtieth day of March, Anno Domini one thousand eight hundred and sixty-six.
A. G. CURTIN.

Election officers will take notice that the act entitled "A Further Supplement to the Election Laws of this commonwealth," disqualifying deserters from the army of the United States from voting, has recently been declared unconstitutional by the Supreme Court of Pennsylvania, is now null and tvoid, and that all persons formerly disqualified thereunder are now lawful voters, if otherwise qualified. The act decided unconstitutional by the Supreme Court provided as follows:

"A FURTHER SUPPLEMENT TO THE ELECTION LAWS OF THIS COMMONWEALTH.

Whereas, By the act of the congress of the United States, entitled "An Act to amend the several acts heretofore passed, to provide for the enrolling and calling out the national forces, and for other purposes," and approved March third, one thousand eight hundred and sixty-five, all persons who have deserted the military or naval service of the United States, and who have not been discharged, or relieved from the penalty, or disability therein provided, are deemed, and taken, to have voluntarily relinquished, and forfeited, their rights of citizenship, and their rights to become citizens, and are deprived of exercising any rights of citizens thereof:

And whereas, persons, not citizens of the United States, are not, under the constitution and laws of Pennsylvania, qualified electors of this commonwealth:

Section 1. Be it enacted by the Senate and House of Representatives of the commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That in all elections hereafter to be held in this commonwealth, it shall be unlawful for the judge or inspectors of any such election to receive any ballot, or ballots, from any person, or persons, embraced in the provisions, and subject to the disability, imposed by said act of congress, approved March third, one thousand eight hundred and sixty-five, and it shall be unlawful for any such person to offer to vote any ballot, or ballots.

Section 2. That if any such judge and inspectors of election, or any one of them shall receive, or consent to receive, any such unlawful ballot, or ballots, from any such disqualified person, he, or they, so offending, shall be guilty of a misdemeanor, and, upon conviction thereof, in any court of quarter sessions of this commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment, in the jail of the proper county, for not less than sixty days.

Section 3. That if any person deprived of citizenship, and disqualified as aforesaid, shall, at any election, hereafter to be held in this commonwealth, vote, or tender to the officers thereof, and offer to vote, a ballot, or ballots, any person, so offending, shall be deemed guilty of a misdemeanor, and on conviction thereof, in any court of quarter sessions of this commonwealth, shall, for each offence, be punished in like manner

MIDDLETON'S

WONDERFUL PAIN CURE

A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases.

This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.

For assurance of its excellent properties, read the following certificates:

BEDFORD, May 8, 1869.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDFORD, April 14, 1869.

Mr. W. W. Middleton,

This is to certify that I was taken with Rheumatism, in my right shoulder, on the evening of the 8th inst., so that I was unable to raise my hand to my face. I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c., A. F. MILLER.

BEDFORD, May 17, 1869.

Mr. Middleton,

DEAR SIR:—I have used several bottles of your medicine in my family, and find it to be all you claim for it. Yours, truly,

JOHN HAFER.

BEDFORD, May 13, 1869.

This is to certify that I have used "Middleton's Pain Cure," for Rheumatism, and was very much benefited by it. JOHN HARRIS.

BEDFORD, May 18, 1869.

This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

BEDFORD, May 1, 1869.

Mr Middleton,

Dear Sir:—Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure, to write this recommendation for the benefit of others. JACOB BOWSER.

BEDFORD, May 16. 1869.

Mr W. W. Middleton:

Sir—I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist—after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFE.

BEDFORD, May 24, 1869.

This is to certify that I have used one bottle of Middleton's Liniment, for Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease.

AUGUSTUS CARVER.

BEDFORD, May 26, 1869.

Mr. Middleton:

Sir—I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used. A. B. CARN.

This excellent PAIN CURE is prepared only by W. W. MIDDLETON, Bedford, Pa., to whom all orders for the medicine should be addressed.

NATURE'S GREAT RESTORER.

SCHEETZ'S

CELEBRATED

BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

AYER'S HAIR VIGOR,

FOR THE RENOVATION OF THE HAIR.

THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or GREEN SICKNESS, BILIOUS COLIC and BILIOUS FEVERS, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

MUSICAL DOINGS.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—*Home Journal.* jan15,'69.

AYER'S SARSAPARILLA,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhœa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
